

GT3 Update #2 Deposit Request

Greetings!

GREAT NEWS !!!!

We have a green light to open up for deposits now for your model of the GT3. It's only open for the OO gauge version at present. We would still like to make the N scale version too, and over the coming weeks we will be promoting that version too. [Click here to make your deposit payment](#)

Please pay your deposit within 28 days of receipt of this email.

You are receiving this email because you would a model of the GT3.
Only with your participation in this project will it succeed.
Deposits must be received for the project to proceed

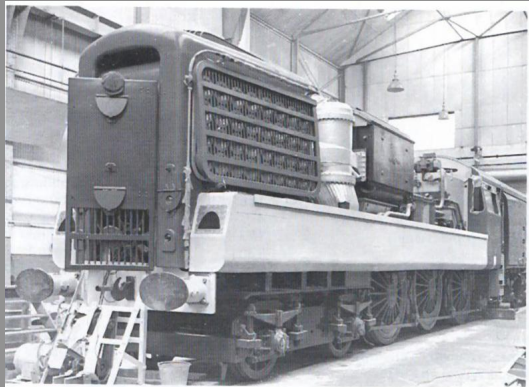

The payment plan is as follows.

DCC Ready - £185 plus shipping;
1st Payment of £50.00, to secure your model.
2nd interim payment of £70.00, to start the tooling of the model.
Final payment of £65.00 to complete the manufacturing process.

DCC Sound - £285 plus shipping;
1st Payment of £50.00, to secure your model.
2nd interim payment of £80.00, to start the tooling of the model.
3rd interim payment £80.00 for the sound decoder.
Final payment of £75.00 to complete the manufacturing process.

The 2nd installment should be due in around 2 months.

Deposits are non-refundable if you change your mind.

Payment Process

Your agreement by paying the deposit is to pay within 28 of receipt of this email and to pay the remaining balance when asked for it. We are trying to make it an affordable hobby so price point to us is very important.

Future developments

We are currently working on a side project that will complement the GT3. A further announcement will hopefully be coming soon.
